## Confidentiality Agreement

### Pledge of Confidentiality

This is to certify that I, \_\_\_\_\_, an employee, or volunteer of the Boise Unitarian Universalist Fellowship, understand that any confidential information (written, verbal or other form) obtained during the performance of my duties must remain confidential. This includes all confidential information about members, friends, families, employees, the Boise Unitarian Universalist Fellowship and other associate organizations.

Confidential information is information marked or known to be confidential, such as personal, financial, or medical information, where the owner of the information has not authorized its public release.
